Dear Sir,

Subject: Request for Institutional Financial Support - Amplify: Youth Peace in the Digital Age | IYC13 Delegate Action

My name is Lindsay Yongoua, a student at Saint Jean School of Management and an officially selected delegate to the **13th International Youth Conference (IYC13)**, taking place in **Los Angeles, May 21 - 24, 2026**. As part of my delegate commitment, I am required to organize a youth action that will be formally reported through the IYC13 Action Report.

I am organizing **Amplify: Youth Peace in the Digital Age**, a hybrid youth-led event taking place on **May 18, 2026**. In the lead-up to the event, a ground outreach campaign will run from **May 1 to 18 across Yaoundé and beyond**, with school visits, poster distribution, and a digital Peace Pledge Drive targeting a minimum of 2,000 signatures from youth aged 13–35. The onsite session on May 18 will welcome youth from across Yaoundé for a panel discussion, spoken word and choir performances, interactive activities, and a collective Peace Pledge. A simultaneous online session will open the event to youth worldwide.

What We Request from IUSJC

We respectfully request the following institutional support from Institut Saint Jean du Cameroun (IUSJC):

- A meeting room suitable for approximately 100 participants on May 18, 2026
- Chairs, tables, microphones, and related audiovisual equipment
- Funding of activities in the amount of 150 000 FCFA

What IUSJC Receives in Return

- Official credit as Host Partner on all event materials, including banners and participant certificates
- Recognition on Amplify's social media platforms throughout the campaign
- Visibility before an international audience through the IYC13 Action Report presented in Los Angeles

This event is a direct reflection of the quality of students your institution produces. I would be honored to have IUSJC as the host of this historic action.

I would be delighted to discuss this further at your earliest convenience and to provide any additional information you may require.

Yours sincerely,

Yongoua Ngachin Rolande Lindsay
